

Portable Appliance Testing - City & Guilds 2377-12 - 1 Day

A one-day 'practical' workshop aimed at anyone involved in the inspection and testing of portable electrical equipment, covering everything necessary to successfully achieve the attached City & Guilds examination, with certification awarded to successful candidates. The course includes both a theory element and a practical element.

The examination is a 1 hour multiple choice, open book PC based examination with instant results.

The course costs include comprehensive course notes based on the latest edition of the Code of Practice for In-service Inspection and Testing of Portable Electrical Equipment, examination entry fees, a buffet lunch and refreshments throughout the day.

Recommended book list:

Code of Practice for In-service Inspection and Testing of Portable Electrical Equipment ISBN 978-0-86341-833-4

The Code of Practice which is required for the examination can be loaned by ourselves for the duration of the course and examination.
